

THE JONES STORE CO

Our \$13.65 Overcoats Represent Some of the Best Bargains We've Ever Bought

AND the Men's Suits at the same price as are superior in their respective points of quality as the Overcoats! A tailor's estimate of supply and demand seldom comes out as planned. The supply this year, owing to late winter weather, has been abnormally greater than the demand which has given this store, with its ready cash and enormous output, many unprecedented opportunities for underselling in men's wear.

Our \$13.65 Overcoats—worth up to \$20

Our \$13.65 Suits are worth up to \$20

Compare them with any showing. You will not find the equal of either Suits or Overcoats—in style, materials, workmanship and general character. The Suits are of worsteds, chevrons, cassimeres and serges. The Overcoats are of medium to heavy weight kersey, melton, chinchilla, fancy imported overcoatings, etc. All sizes and styles. Up to \$29 Suits and Overcoats, \$13.65.

\$10.95 for Men's up to \$15 Suits, Overcoats and Raincoats. A complete display in each pattern.

They are under-bought—and most of them are priced a fourth below worth. Excellent styles for winter wear; all sizes and builds throughout the display. Overcoats are of kersey, melton and best fancy overcoatings. The Suits offer all wanted fabrics, especially the new mixed weaves in grays and browns. Choice \$10.95.

Sample Coats Near Half

Last Week Hundreds of Women Were Convinced That Our Coat Sale Saved Them Half. Another Lot of Similar Coats Will Arrive For This Sale.

ONE woman said, "Just think, warm winter Coats at half price—and winter is just here." The very fact that winter is "just here" is the reason we can offer these Coats at half price. The late autumn left heavy overstocks on the makers' hands—they were glad to close out for a small cash offer.

Styles are those that fashionable women prefer this season—low belted, flare skirt and swing back effects trimmed with velvet and buttons. As to the materials—you will find those you know for long service—Scotch mixtures, English coatings, cut chinchilla, cheviot and caracul.

The colors, too, are most serviceable—browns, grays, blues, black, etc. They're all lengths—all sizes from 14 to 44. Indeed, these are Coats that you can depend on to give you comfort and smart appearance the entire season. Tailored to retail at up to \$29—a new assortment here tomorrow at \$6.79.
